WHEREAS, even in the current economic crisis, state-based insurance regulation has demonstrated an ability to protect policyholders and preserve company solvency that is superior to Federal regulatory agencies; and

WHEREAS, insurance industry and related professionals comprise a large employment and economic base in Illinois and many of its communities; and

WHEREAS, the regulation of insurance is funded by assessments on the insurance industry; and

WHEREAS, Article V, Section 11 of the Illinois Constitution authorizes the Governor to reassign functions or reorganize executive agencies that are directly responsible to him by means of executive order; and

WHEREAS, Section 3.2 of the Executive Reorganization Implementation Act, 15 ILCS 15/3.2, provides that “Reorganization” includes, in pertinent part, (a) the transfer of the whole or any part of any agency, or of the whole or any part of the functions thereof, to the jurisdiction and control of any other agency, (b) the abolition of the whole or any part of any agency which does not have, or upon the taking effect of such reorganization will not have, any functions, and (c) the establishment of a new agency to perform all or any part of the functions of an existing agency or agencies; and

The Department, consistent with its authority to do so, may propose and adopt under the Illinois Administrative Procedures Act such other rules that will now be administered by the Department. WHEREAS, there is currently no statewide agency compiling energy and utility usage data and thus the State does not have a comprehensive and standardized platform with which to benchmark its historic and current usage patterns, identify and prioritize locations for energy efficiency upgrades, or document the impact of ongoing energy efficiency and cost control policies and practices; and

WHEREAS, Article V, Section 11 of the Constitution of the State of Illinois authorizes the Governor to reassign functions among or reorganize executive agencies, which are directly responsible to him by means of an Executive Order; and

2. Provide an annual report to the Governor, outlining the environmental results, reduction in consumption and cost savings to the State.
 3. Develop and maintain such data management systems as are necessary to document energy usage in a manner consistent with the need to purchase supplies in the most cost-effective manner and to support the development of strategies to maximize the operational efficiency of the State's facilities.
 4. Take the action necessary to enable the State to take advantage of bulk purchases of energy to maximize the State's purchasing power.
 5. Obtain from all agencies a comprehensive listing of all electricity, natural gas, water and sewer accounts, along with other site-identifying information, and work directly with the appropriate utility companies to arrange for ongoing monthly electronic download or dual distribution to both the agencies and the Energy Efficiency Committee of the account data, including the necessary usage and rate.

HOUSE RESOLUTION 248

Offered by Representative Walker:

WHEREAS, The State of Illinois currently has the largest contingent of combat troops deployed overseas since the Second World War in Task Force Phoenix VIII in Afghanistan; and

WHEREAS, A 2008 Rand study claims that nationally at least 300,000 Iraq and Afghanistan war veterans suffer from Post-Traumatic Stress Disorder (PTSD), while another 320,000 suffer from Traumatic Brain Injury (TBI); and

WHEREAS, The aforementioned Rand study also concludes that "a majority of the injured are not receiving help from either the Pentagon or the [United States Department of Veterans Affairs]"; and

WHEREAS, It is likely that many Illinois veterans would, as a matter of convenience, seek treatment for PTSD through their local health care providers rather than through the United States Department of Veterans Affairs; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we encourage and support action by the Illinois Department of Veterans' Affairs to cause private health care providers to be reimbursed for their costs associated with the treatment of Post-Traumatic Stress Disorder sought by veterans; and be it further

RESOLVED, That we encourage and support action by the Illinois Department of Veterans' Affairs to provide the resources necessary for private health care providers to seek continuing education in the effective diagnosis and treatment of Post-Traumatic Stress Disorder; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Governor and the Director of Veterans' Affairs.

HOUSE RESOLUTION 250

Offered by Representative Turner:

WHEREAS, The State of Illinois has established sister-state relations with Taiwan, an agreement signed by Governor Jim Edgar and Governor Dr. Lien Chan in 1992; and

WHEREAS, The Republic of China (Taiwan) and the State of Illinois enjoy a deep and longstanding partnership built on a shared dedication to freedom, democracy, and the market economy; and

WHEREAS, The quality of Illinois agricultural products has always been appreciated by Republic of China (Taiwan) importers and consumers; and

WHEREAS, Taiwan sent 24 procurement missions to the United States between 1978 and 2007, which have enhanced the mutually beneficial trade relations and permanent friendship between the two countries and has most recently resulted in the purchase of U.S. agricultural products worth U.S. \$3.9 billion following the 2007 Taiwan Agricultural Mission; and

WHEREAS, In 2007, Taiwan ranked as the seventh-largest export market in the world for U.S. agricultural products and the fourth-largest market for U.S.-grown corn; in addition, Illinois' overall exports

to Taiwan are steadily increasing, with Taiwan ranked as the world's eleventh-largest market for Illinois' products in 2008, with exports to Taiwan valued at U.S. \$1.385 billion, an increase of 8.8 percent from Illinois' 2007 exports to Taiwan (worth U.S. \$1.274 billion); and

WHEREAS, The Taiwan government has invited delegations of leaders from the Midwestern state legislatures, including the State of Illinois, to visit Taiwan; through the efforts of the Taipei Economic and Cultural Office in Chicago, the exchanges of qualified teachers of English and Chinese languages in each other's schools have been enhanced and the cultural performances, educational programs, and exhibits during Asian-Pacific American Heritage Month and Taiwanese-American Heritage Week have increased as well; and

WHEREAS, The Taiwanese community has been an important contributor to the State's economy as well as business and civic activities and are strong supporters of the relations between Taiwan and the State of Illinois; and

WHEREAS, The government of Illinois, including the Illinois General Assembly, has been a cordial supporter of Taiwan's appeal to participate in the activities of the United Nations, Taiwan's appeal to be an observer in the World Health Assembly of the World Health Organization, and the signing of a Free Trade Agreement between the United States and Taiwan; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we reaffirm the State of Illinois' sister-state relationship with Taiwan and support the exchanges of all kinds that are mutually beneficial to both sides; and be it further

HOUSE JOINT RESOLUTION 44

Offered by Representative Walker:

WHEREAS, The Illinois State treasury holds many special funds that have been created to hold moneys dedicated for particular purposes; and

WHEREAS, Some of those special funds are dedicated for various purposes concerning veterans; and

WHEREAS, In the recent past, the General Assembly has taken action to "sweep" moneys from certain dedicated special funds into the General Revenue Fund or other funds so that those moneys may be used for other purposes unrelated to the purposes for which the special funds were created; and

WHEREAS, These "fund sweeps" result in less money being available for the purposes for which the special funds were created and have a significant negative impact on Illinois residents who would otherwise benefit from services funded by the moneys held in those special funds; and

WHEREAS, "Fund sweeps" from special funds dedicated for various purposes concerning veterans, or any other similar budgetary maneuvers, will negatively impact those who have made great sacrifices to preserve the freedoms we enjoy in Illinois and the United States; therefore, be it

RESOLVED, BY THE HOUSE OF REPRESENTATIVES OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE SENATE CONCURRING HEREIN, that special funds in the State treasury that are dedicated for purposes concerning veterans shall not be subject to sweeps, administrative charge-backs, including, but not limited to, those authorized under Section 8h of the State Finance Act, or any other fiscal or budgetary maneuver that would in any way transfer any funds from such special funds into any other fund of the State.

Sec. 2-101. Commerce Commission created. There is created an Illinois Commerce Commission consisting of 5 members not more than 3 of whom shall be members of the same political party at the time of appointment. The Governor shall appoint the members of such Commission by and with the advice and consent of the Senate. In case of a vacancy in such office during the recess of the Senate the Governor shall make a temporary appointment until the next meeting of the Senate, when he shall nominate some person to fill such office; and any person so nominated who is confirmed by the Senate, shall hold his office during the remainder of the term and until his successor shall be appointed and qualified. The Governor shall from time to time designate the member of the Commission who shall be its chairman. Consistent with the provisions of this Act, the Chairman shall be the chief executive officer of the Commission for the purpose of ensuring that the Commission's policies are properly executed.

AMENDMENT NO. 1. Amend House Bill 3767 by replacing everything after the enacting clause

with the following:

"Section 1. Short title. This Act may be cited as the Obesity Prevention Initiative Act.

Section 5. Legislative findings. The General Assembly makes all of the following findings:

- (1) Nearly 25% of Illinois adults are obese and 37% are overweight, 62% of Illinois adults in total.
- (2) The percentage of normal-weight Illinois adults has steadily decreased as the percentage who are overweight or obese has steadily increased.
- (3) More than 31% of Illinois children ages 10 through 17 years are considered overweight or obese.
- (4) A majority (56%) of publicly insured children are overweight or obese (the highest state prevalence in the nation) and nearly 2 in 5 (39%) black, non-Hispanic children are overweight or obese (the third highest state prevalence).
- (5) Today's overweight and obese children are likely to become tomorrow's overweight and health-impaired adults, at risk for premature death.
- (6) Being overweight and obese puts people at increased risk for coronary heart disease, type 2 diabetes, certain cancers, hypertension, dyslipidemia (high cholesterol or triglycerides or both), stroke, liver and gallbladder disease, sleep apnea and respiratory problems, osteoarthritis, and gynecological problems.
- (7) Overweight and obesity-related diseases cause premature death.
- (8) The economic costs associated with treating these diseases is substantial and increasing, accounting for more than 9% of total health care costs, approximately half of which are born by public resources via Medicare and Medicaid and the majority of the remainder born by employers.
- (9) Obese people suffer more injuries and disabilities and have more non-productive work days in total, creating loss of earnings for Illinois employees and loss of productivity for Illinois employers.
- (10) Research has shown that 27% of health care charges for adults over age 40 are associated with people being physically inactive, overweight, or obese.
- (11) From 1987 to 2001, obesity-related spending accounted for an estimated 27% of the increase in inflation-adjusted per capita health spending.
- (12) Research has shown that each additional day of physical activity per week can reduce medical charges by 4.7%.
- (13) The non-economic costs of being overweight or obese that is experienced by Illinois citizens are immeasurable in terms of pain, mobility, self-esteem, bias and stigma, the grief associated with the premature death of loved ones, and other quality of life issues.
- (14) Food and exercise habits are strongly linked to the food and exercise habits of the communities in which the individuals live, work, attend school, and socialize.
- (15) Individual and community food and exercise habits are strongly linked to environmental factors, such as access to healthy food and safe opportunities for physical activity.
- (16) Public health interventions focusing on healthy eating, physical activity, and environmental change to facilitate these behaviors have been shown to be successful in reducing obesity and promoting healthy weight and physical activity among children and adults.
- (17) Obesity is a significant contributing factor to many chronic diseases faced by Illinois residents and that obesity and its effects on human health are best addressed in a holistic manner, including policy change, environmental change, and community public health and wellness efforts.
- (18) The General Assembly has recognized the importance of studying obesity and passed the Obesity Study and Prevention Fund Act in 2004. The Illinois State Health Improvement Plan (SHIP) identified obesity and physical activity as strategic priority health conditions that demand action, including without limitation the following:
 - (A) Increased efforts to educate the public on the health risks associated with obesity and poor nutrition, and resources to help individuals to adopt healthy lifestyles.
 - (B) Promoting changes in State and local policies designed to support healthy eating and physical activity.

Section 10. Obesity Prevention Initiative. Within 60 days after the effective date of this Act, the Department of Public Health shall organize at least 6 hearings on the health effects of obesity, the costs of obesity to the health care system and society, and the need to address the obesity epidemic with community, policy, and individual health behavior change. The Department shall work with public, private, and voluntary stakeholders to plan and publicize the hearings. The hearing officers shall include the Chair

of the State Board of Health or her designee; up to 7 additional members of the State Board of Health; 2 members of the Illinois House of Representatives, one of whom shall be named by the Speaker of the House and one of whom shall be named by the Minority Leader of the House; and 2 members of the Illinois Senate, one of whom shall be named by the President of the Senate and one of whom shall be named by the Minority Leader of the Senate.

No later than February 1, 2010, the hearing officers shall provide a report on the hearings to the members of the Illinois General Assembly, State Board of Health, and, pursuant to Public Act 93-0975, members of the State Health Improvement Planning Team to inform and support action on implementing the 2009 State Health Improvement Plan. Pursuant to Public Act 95-0900, the Chronic Disease Task Force shall also use the report to inform the Plan that is due July 1, 2010 to the General Assembly. The Department shall provide logistical and support staff for hearings.

Within 60 days after the completion of the report on the hearings, but no later than April 1, 2010, and subject to appropriation for that purpose, the Department of Public Health shall grant funds to one or more non-profit organizations or local public health departments to conduct a statewide education campaign focusing on the health effects of obesity, the costs of obesity to the health care system and society, and the need to address the obesity epidemic with community, policy, and individual health behavior change.

For purposes of this subsection (b), reclaimed or other asphalt pavement shall not be considered speculatively accumulated if: (i) it is not commingled with any other clean construction or demolition debris or any waste; (ii) it is returned to the economic mainstream in the form of raw materials or products within 4 years after its generation; (iii) at least 25% of the total amount present at a site during a calendar year is transported off of the site during the next calendar year; and (iv) if used as a fill material, it is used in accordance with item (i) of the second paragraph of this subsection (b).

(235 ILCS 5/6-24B new)

Sec. 6-24B. Display of adolescent warning signs.

(a) The General Assembly finds that there is a need for public information about the risk of excessive alcoholic liquor consumption, specifically with regard to persons under the age of 21. The United States Surgeon General has found that all levels of government have a responsibility to develop and implement appropriate policies that facilitate safe adolescent development, protect against underage alcohol use and its consequences, and avoid creating unacceptable risks around alcohol use. Since excessive alcoholic liquor consumption and underage alcohol consumption are preventable, the General Assembly finds that it is in the public interest to provide warnings about the risks of underage alcohol consumption at places where alcoholic liquor is sold.

(b) Every holder of a retail license, whether the licensee sells or offers for sale alcoholic liquors for use or consumption on or off the retail license premises, shall cause a sign with the message "GOVERNMENT WARNING: ACCORDING TO THE SURGEON GENERAL, ADOLESCENTS SHOULD NOT DRINK ALCOHOLIC BEVERAGES BECAUSE OF THE RISK OF DEATH, HIV, UNPLANNED PREGNANCY, PHYSICAL AND SEXUAL ASSAULT, AND BRAIN DAMAGE. IF YOU NEED ASSISTANCE, PLEASE CALL THE OFFICE OF ALCOHOLISM AND SUBSTANCE ABUSE (OASA) AT 1-800-843-6154" to be framed and hung in plain view. (c) In the event that there is no warning sign posted on the retailer's premises, it shall be the responsibility of the Illinois Liquor Control Commission to furnish the retailer with a warning sign. The retailer shall have 30 days from receipt of the warning sign to post it on the licensed premises. Thereafter, a retailer who violates this Section is subject to a written warning for the first violation. For a second or subsequent violation, the retailer shall pay a fine of at least \$40 but not more than \$200 for each such violation. For the third and subsequent violations, each day the activity continues shall be a separate violation."

(a) The General Assembly finds that there is a need for public information about the risk of birth defects (specifically Fetal Alcohol Syndrome) when women consume alcoholic liquor during pregnancy. The United States Surgeon General has recommended abstinence from alcohol during pregnancy. Since Fetal Alcohol Syndrome and fetal alcohol effects are preventable, the General Assembly finds that it is in the public interest to provide warning about the risk of alcohol-related birth defects at places where alcoholic liquors are sold.

(b) Every holder of a retail license, whether the licensee sells or offers for sale alcoholic liquors for use or consumption on or off the retail license premises, shall cause a sign with the message "GOVERNMENT WARNING: ACCORDING TO THE SURGEON GENERAL, WOMEN SHOULD NOT DRINK ALCOHOLIC BEVERAGES DURING PREGNANCY BECAUSE OF THE RISK OF BIRTH DEFECTS. IF YOU NEED ASSISTANCE FOR SUBSTANCE ABUSE, PLEASE CALL THE OFFICE OF ALCOHOLISM AND SUBSTANCE ABUSE (OASA) AT 1-800-843-6154." to be framed and hung in plain view. These signs shall be no larger than 8 1/2 inches by 11 inches.

(c) In the event there is no warning sign posted on the retailer's premises, it shall be the responsibility of the Illinois Liquor Control Commission to furnish the retailer with a warning sign. On the Motion of Representative Pihos, Floor Amendment No. 2 was ordered to lie on the table.

Representative Pihos offered the following amendments and moved their adoption:

AMENDMENT NO. 3. Amend House Bill 4249 by replacing everything after the enacting clause with the following:

"Section 5. The Environmental Protection Act is amended by adding Section 22.55 as follows:
(415 ILCS 5/22.55 new)

Sec. 22.55. Household Waste Drop-off Points.

(a) Findings; Purpose and Intent.

(1) The General Assembly finds that protection of human health and the environment can be enhanced if certain commonly generated household wastes are managed separately from the general household waste stream.

(2) The purpose of this Section is to provide, to the extent allowed under federal law, a method for managing certain types of household waste separately from the general household waste stream.

(b) Definitions. For the purposes of this Section:

"Controlled substance" means a controlled substance as defined in the Illinois Controlled Substances Act.

"Household waste" means waste generated from a single residence or multiple residences.

"Household waste drop-off point" means the portion of a site or facility used solely for the receipt and temporary storage of household waste.

"One-day household waste collection event" means a household waste drop-off point approved by the Agency under subsection (d) of this Section.

"Personal care product" means an item other than a pharmaceutical product that is consumed or applied by an individual for personal health, hygiene, or cosmetic reasons. Personal care products include, but are not limited to, items used in bathing, dressing, or grooming.

"Pharmaceutical product" means medicine or a product containing medicine. A pharmaceutical product may be sold by prescription or over the counter. "Pharmaceutical product" does not include medicine that contains a radioactive component or a product that contains a radioactive component.

(c) Except as otherwise provided in Agency rules, the following requirements apply to each household waste drop-off point other than a one-day household waste collection event:

(1) A household waste drop-off point must not accept waste other than the following types of household waste: pharmaceutical products, personal care products, batteries other than lead-acid batteries, paints, automotive fluids, compact fluorescent lightbulbs, mercury thermometers, and mercury thermostats.

(2) Except as provided in subdivision (c)(2) of this Section, household waste drop-off points must be located at a site or facility where the types of products accepted at the household waste drop-off point are lawfully sold, distributed, or dispensed. For example, household waste drop-off points that accept prescription pharmaceutical products must be located at a site or facility where prescription pharmaceutical products are sold, distributed, or dispensed.

(A) Subdivision (c)(2) of this Section does not apply to household waste drop-off points operated by a government or school entity, or by an association or other organization of government or school entities.

(B) Household waste drop-off points that accept mercury thermometers can be located at any site or facility where non-mercury thermometers are sold, distributed, or dispensed.

(C) Household waste drop-off points that accept mercury thermostats can be located at any site or facility where non-mercury thermostats are sold, distributed, or dispensed.

(3) The location of acceptance for each type of waste accepted at the household waste drop-off point must be clearly identified. Locations where pharmaceutical products are accepted must also include a copy of the sign required under subsection (j) of this Section.

(4) Household waste must be accepted only from private individuals. Waste must not be accepted from other persons, including, but not limited to, owners and operators of rented or leased residences where the household waste was generated, commercial haulers, and other commercial, industrial, agricultural, and government operations or entities.

(5) If more than one type of household waste is accepted, each type of household waste must be managed separately prior to its packaging for off-site transfer.

(6) Household waste must not be stored for longer than 90 days after its receipt, except as otherwise approved by the Agency in writing.

(7) Household waste must be managed in a manner that protects against releases of the waste, prevents nuisances, and otherwise protects human health and the environment. Household waste must also be properly secured to prevent unauthorized public access to the waste, including, but not limited to, preventing access to the waste during the non-business hours of the site or facility on which the household waste drop-off point is located. Containers in which pharmaceutical products are collected must be clearly marked "No Controlled Substances".

(8) Management of the household waste must be limited to the following: (i) acceptance of the waste, (ii) temporary storage of the waste prior to transfer, and (iii) off-site transfer of the waste and packaging for off-site transfer.

(9) Off-site transfer of the household waste must comply with federal and State laws and regulations.

(d) One-day household waste collection events. To further aid in the collection of certain household wastes, the Agency may approve the operation of one-day household waste collection events. The Agency shall not approve a one-day household waste collection event at the same site or facility for more than one day each calendar quarter. Requests for approval must be submitted on forms prescribed by the Agency. The Agency must issue its approval in writing, and it may impose conditions as necessary to protect human health and the environment and to otherwise accomplish the purposes of this Act. One-day household waste collection events must be operated in accordance with the Agency's approval, including all conditions contained in the approval. The following requirements apply to all one-day household waste collection events, in addition to the conditions contained in the Agency's approval:

(1) Waste accepted at the event must be limited to household waste and must not include garbage, landscape waste, controlled substances, or other waste excluded by the Agency in the Agency's approval or any conditions contained in the approval.

(2) Household waste must be accepted only from private individuals. Waste must not be accepted from other persons, including, but not limited to, owners and operators of rented or leased residences where the household waste was generated, commercial haulers, and other commercial, industrial, agricultural, and government operations or entities.

(3) Household waste must be managed in a manner that protects against releases of the waste, prevents nuisances, and otherwise protects human health and the environment. Household waste must also be properly secured to prevent public access to the waste, including, but not limited to, preventing access to the waste during the event's non-business hours.

(4) Management of the household waste must be limited to the following: (i) acceptance of the waste, (ii) temporary storage of the waste before transfer, and (iii) off-site transfer of the waste or packaging for off-site transfer.

(5) Except as otherwise approved by the Agency, all household waste received at the collection event must be transferred off-site by the end of the day following the collection event.

(6) The transfer and ultimate disposition of household waste received at the collection event must comply with the Agency's approval, including all conditions contained in the approval.

(e) The Agency may adopt rules governing the operation of household waste drop-off points other than one-day household waste collection events. Those rules must be designed to protect against releases of waste to the environment, prevent nuisances, and otherwise protect human health and the environment. As necessary to address different circumstances, the regulations may contain different requirements for different types of household waste and different types of household waste drop-off points, and the regulations may modify the requirements set forth in subsection (c) of this Section. The regulations may include, but are not limited to, the following: (i) identification of additional types of household waste that can be collected at household waste drop-off points, (ii) identification of the different types of household wastes that can be received at different household waste drop-off points, (iii) the maximum amounts of each type of household waste that can be stored at household waste drop-off points at any one time, and (iv) the maximum time periods each type of household waste can be stored at household waste drop-off points.

(f) Prohibitions.

(1) Except as authorized in a permit issued by the Agency, no person shall cause or allow the operation of a household waste drop-off point other than a one-day household waste collection event in violation of this Section or any regulations adopted under this Section.

(2) No person shall cause or allow the operation of a one-day household waste collection event in violation of this Section or the Agency's approval issued under subsection (d) of this Section, including all conditions contained in the approval.

(g) Permit exemptions.

(1) No permit is required under subdivision (d)(1) of Section 21 of this Act for the operation of a household waste drop-off point other than a one-day household waste collection event if the household waste drop-off point is operated in accordance with this Section and all regulations adopted under this Section.

(5 ILCS 375/6.5)

(a) Purpose. It is the purpose of this amendatory Act of 1995 to transfer the administration of the program of health benefits established for benefit recipients and their dependent beneficiaries under Article 16 of the Illinois Pension Code to the Department of Central Management Services.

(b) Transition provisions. The Board of Trustees of the Teachers' Retirement System shall continue to administer the health benefit program established under Article 16 of the Illinois Pension Code through December 31, 1995. Beginning January 1, 1996, the Department of Central Management Services shall be responsible for administering a program of health benefits for TRS benefit recipients and TRS dependent beneficiaries under this Section. The Department of Central Management Services and the Teachers' Retirement System shall cooperate in this endeavor and shall coordinate their activities so as to ensure a smooth transition and uninterrupted health benefit coverage.

(c) Eligibility. All persons who were enrolled in the Article 16 program at the time of the transfer shall be eligible to participate in the program established under this Section without any interruption or delay in coverage or limitation as to pre-existing medical conditions. Eligibility to participate shall be determined by the Teachers' Retirement System. Eligibility information shall be communicated to the Department of Central Management Services in a format acceptable to the Department.

A TRS dependent beneficiary who is an unmarried child age 19 or over and mentally or physically disabled does not become ineligible to participate by reason of (i) becoming ineligible to be claimed as a dependent for Illinois or federal income tax purposes or (ii) receiving earned income, so long as those earnings are insufficient for the child to be fully self-sufficient.

(d) Coverage. The level of health benefits provided under this Section shall be similar to the level of benefits provided by the program previously established under Article 16 of the Illinois Pension Code.

Group life insurance benefits are not included in the benefits to be provided to TRS benefit recipients and TRS dependent beneficiaries under this Act.

The program of health benefits under this Section may include any or all of the benefit limitations, including but not limited to a reduction in benefits based on eligibility for federal medicare benefits, that are provided under subsection (a) of Section 6 of this Act for other health benefit programs under this Act.

(e) Insurance rates and premiums. The Director shall determine the insurance rates and premiums for TRS benefit recipients and TRS dependent beneficiaries, and shall present to the Teachers' Retirement System of the State of Illinois, by April 15 of each calendar year, the rate-setting methodology (including but not limited to utilization levels and costs) used to determine the amount of the health care premiums.

For Fiscal Year 1996, the premium shall be equal to the premium actually charged in Fiscal Year 1995; in subsequent years, the premium shall never be lower than the premium charged in Fiscal Year 1995.

For Fiscal Year 2003, the premium shall not exceed 110% of the premium actually charged in Fiscal Year 2002.

For Fiscal Year 2004, the premium shall not exceed 112% of the premium actually charged in Fiscal Year 2003.

For Fiscal Year 2005, the premium shall not exceed a weighted average of 106.6% of the premium actually charged in Fiscal Year 2004.

For Fiscal Year 2007, the premium shall not exceed a weighted average of 103.9% of the premium actually charged in Fiscal Year 2006.

For Fiscal Year 2008 through Fiscal Year 2009 and thereafter, the premium in each fiscal year shall not exceed 105% of the premium actually charged in the previous fiscal year.

For Fiscal Year 2010 for a TRS benefit recipient whose primary residence is within Illinois, selecting the major medical coverage program if a managed care program is not available, as determined by the Teachers' Retirement System, the premium shall be equal to 95% of the premium actually charged in Fiscal Year 2009 for a TRS benefit recipient selecting the major medical coverage program Fund if a managed care program is not accessible, as determined by the Teachers' Retirement System. For Fiscal Year 2011 and thereafter, the premium in each fiscal year shall be equal to 105% of the premium actually charged in the previous fiscal year.

For Fiscal Year 2010 for a TRS benefit recipient, whose primary residence is outside Illinois, selecting the major medical coverage program, the premium shall be equal to 105% of the premium actually charged in Fiscal Year 2009 for a TRS benefit recipient selecting the major medical coverage program Fund if a managed care program is accessible, as determined by the Teachers' Retirement System. For Fiscal Year

2011 and thereafter, the premium in each fiscal year shall be equal to 105% of the premium actually charged in the previous fiscal year.

For Fiscal Year 2010 for a TRS benefit recipient selecting a managed care program, the premium shall be equal to the premium actually charged in Fiscal Year 2009 for a TRS benefit recipient selecting a managed care program. For Fiscal Year 2011 and thereafter, the premium in each fiscal year shall not exceed 105% of the premium actually charged in the previous fiscal year.

For Fiscal Year 2010 for a TRS dependent beneficiary, whose primary residence is within Illinois, selecting the major medical coverage program if a managed care program is not available, as determined by the Teachers' Retirement System, the premium shall be equal to 95% of the premium actually charged in Fiscal Year 2009 for a TRS dependent beneficiary selecting the major medical coverage program Fund if a managed care program is not accessible, as determined by the Teachers' Retirement System. For Fiscal Year 2011 and thereafter, the premium in each fiscal year shall be equal to 105% of the premium actually charged in the previous fiscal year.

For Fiscal Year 2011 and thereafter, the premium in each fiscal year shall be equal to 105% of the premium actually charged in the previous fiscal year.

For Fiscal Year 2010 for a TRS dependent beneficiary selecting a managed care program, the premium shall be equal to the premium actually charged in Fiscal Year 2009 for a TRS dependent beneficiary selecting a managed care program. For Fiscal Year 2011 and thereafter, the premium in each fiscal year shall not exceed 105% of the premium actually charged in the previous fiscal year.

Rates and premiums may be based in part on age and eligibility for federal medicare coverage. However, the cost of participation for a TRS dependent beneficiary who is an unmarried child age 19 or over and mentally or physically disabled shall not exceed the cost for a TRS dependent beneficiary who is an unmarried child under age 19 and participates in the same major medical or managed care program.

The cost of health benefits under the program shall be paid as follows:

For the purpose of this item (3.1), the term "TRS dependent beneficiary who is Medicare primary" means a TRS dependent beneficiary who is participating in Medicare Parts A and B.~~

~~(4) Except as otherwise provided in item (3.1), the balance of the rate of insurance, including the entire premium of any coverage for TRS dependent beneficiaries that has been elected,~~

~~shall be paid by deductions authorized by the TRS benefit recipient to be withheld from his or her monthly annuity or benefit payment from the Teachers' Retirement System; except that (i) if the balance of the cost of coverage exceeds the amount of the monthly annuity or benefit payment, the difference shall be paid directly to the Teachers' Retirement System by the TRS benefit recipient, and (ii) all or part of the balance of the cost of coverage may, at the school board's option, be paid to the Teachers' Retirement System by the school board of the school district from which the TRS benefit recipient~~

(f) Financing. Beginning July 1, 1995, all revenues arising from the administration of the health benefit programs established under Article 16 of the Illinois Pension Code or this Section shall be deposited into the Teacher Health Insurance Security Fund, which is hereby created as a nonappropriated trust fund to be held outside the State Treasury, with the State Treasurer as custodian. Any interest earned on moneys in the Teacher Health Insurance Security Fund shall be deposited into the Fund.

Moneys in the Teacher Health Insurance Security Fund shall be used only to pay the costs of the health benefit program established under this Section, including associated administrative costs, and the costs associated with the health benefit program established under Article 16 of the Illinois Pension Code, as authorized in this Section. Beginning July 1, 1995, the Department of Central Management Services may make expenditures from the Teacher Health Insurance Security Fund for those costs.

After other funds authorized for the payment of the costs of the health benefit program established under Article 16 of the Illinois Pension Code are exhausted and until January 1, 1996 (or such later date as may be agreed upon by the Director of Central Management Services and the Secretary of the Teachers' Retirement System), the Secretary of the Teachers' Retirement System may make expenditures from the Teacher Health Insurance Security Fund as necessary to pay up to 75% of the cost of providing health coverage to eligible benefit recipients (as defined in Sections 16-153.1 and 16-153.3 of the Illinois Pension Code) who are enrolled in the Article 16 health benefit program and to facilitate the transfer of administration of the health benefit program to the Department of Central Management Services.

The transferred moneys, and interest accrued thereon, shall be used exclusively for transfers to administrative service organizations or their financial institutions for payments of claims to claimants and providers under the self-insurance health plan. (g) Contract for benefits. The Director shall by contract, self-insurance, or otherwise make available the program of health benefits for TRS benefit recipients and their TRS dependent beneficiaries that is provided for in this Section. The contract or other arrangement for the provision of these health benefits shall be on terms deemed by the Director to be in the best interest of the State of Illinois and the TRS benefit recipients based on, but not limited to, such criteria as administrative cost, service capabilities of the carrier or other contractor, and the costs of the benefits.

(g-5) Committee. A Teacher Retirement Insurance Program Committee shall be established, to consist of 10 persons appointed by the Governor.

The Committee shall convene at least 4 times each year, and shall consider and make recommendations on issues affecting the program of health benefits provided under this Section. Recommendations of the Committee shall be based on a consensus of the members of the Committee.

If the Teacher Health Insurance Security Fund experiences a deficit balance based upon the contribution and subsidy rates established in this Section and Section 6.6 for Fiscal Year 2008 or thereafter, the Committee shall make recommendations for adjustments to the funding sources established under these Sections.

(h) Continuation of program. It is the intention of the General Assembly that the program of health benefits provided under this Section be maintained on an ongoing, affordable basis.

The program of health benefits provided under this Section may be amended by the State and is not intended to be a pension or retirement benefit subject to protection under Article XIII, Section 5 of the Illinois Constitution.

"Section 5. The Open Meetings Act is amended by changing Sections 2.01 and 7 as follows:

(5 ILCS 120/2.01) (from Ch. 102, par. 42.01)

Sec. 2.01. All meetings required by this Act to be public shall be held at specified times and places which are convenient and open to the public. No meeting required by this Act to be public shall be held on a legal holiday unless the regular meeting day falls on that holiday.

A quorum of members of a public body must be physically present at the location of an open meeting. If, however, an open meeting of a public body (i) with statewide jurisdiction or (ii) that is an Illinois library system with jurisdiction over a specific geographic area of more than 4,500 square miles ~~(except one with jurisdiction limited to a specific geographic area that is less than statewide)~~ is held simultaneously at one of its offices and one or more other locations in a public building, which may include other of its offices, through an interactive video conference and the public body provides public notice and public access as required under this Act for all locations, then members physically present in those locations all count towards determining a quorum. The requirement that a quorum be physically present at the location of an open meeting shall not apply, however, to State advisory boards or bodies that do not have authority to make binding recommendations or determinations or to take any other substantive action.

(a) If a quorum of the members of the public body is physically present as required by Section 2.01, a majority of the public body may allow a member of that body to attend the meeting by other means if the member is prevented from physically attending because of: (i) personal illness or disability; (ii) employment purposes or the business of the public body; or (iii) a family or other emergency. "Other means" is by video or audio conference.

(b) If a member wishes to attend a meeting by other means, the member must notify the recording secretary or clerk of the public body before the meeting unless advance notice is impractical.

(c) A majority of the public body may allow a member to attend a meeting by other means only in accordance with and to the extent allowed by rules adopted by the public body. The rules must conform to the requirements and restrictions of this Section, may further limit the extent to which attendance by other means is allowed, and may provide for the giving of additional notice to the public or further facilitate public access to meetings.

(d) Upon expiration or termination of a lease under this Act, the local entity shall be reimbursed by the Department or Agency, as the case may be, for the undepreciated portion of any improvements to the park or site made or paid for by the local entity during the period of the lease. HOUSE BILLS ON SECOND READING

HOUSE BILL 4011. Having been recalled on April 1, 2009, the same was again taken up. Representative Colvin offered the following amendment and moved its adoption.

AMENDMENT NO. 1. Amend House Bill 4011 by replacing everything after the enacting clause with the following:

"Section 5. The Residential Mortgage License Act of 1987 is amended by changing Sections 1-2, 1-4, 2-2, 2-3, 2-4, 2-6, 3-1, 3-2, 3-4, 4-1, 4-2, 4-5, 4-8.3, and the heading of Article VII and by adding Sections 4-7, 4-8.1A, 4-9.1, 7-1A, 7-2, 7-3, 7-4, 7-5, 7-6, 7-7, 7-8, 7-9, 7-10, 7-11, 7-12, 7-13, and 7-14 as follows:

(205 ILCS 635/1-2) (from Ch. 17, par. 2321-2)

Sec. 1-2. Purpose of Act and Policy Statement.

(a) The origination, funding, purchasing and brokering of residential mortgage loans and the type of entities involved in residential mortgage lending have undergone significant changes in recent years, due in part to developments in the general economy, specifically interest rate volatility, the sophistication of the national secondary market for mortgage loans and the market for mortgage backed securities. The recent trend toward deregulation in the financial services industry has accelerated the evolution of residential mortgage lending, dramatically increasing the types of mortgage loans offered and the manner in which they are advertised and marketed to consumers. Depository institutions, traditionally the major source of residential mortgage financing for individuals, now compete for capital and customers with mortgage bankers and other financial service organizations. Residential mortgage lenders of every type have increasingly relied on nonfinancial intermediaries, such as mortgage brokers, to find customers. These developments have raised questions as to whether all entities engaging in this banking function operate under appropriate regulatory scrutiny and as to whether all residential mortgage lenders are conducting

their business in the best interests of Illinois homeowners and potential homeowners.

(b) The activities of lenders and their offering of financing for residential real property have a direct and immediate impact upon the housing industry, the neighborhoods and communities of this State, its homeowners and potential homeowners. The General Assembly finds that it is essential for the protection of the citizens of this State and the stability of the State's economy that reasonable standards governing the business practices of residential mortgage lenders and their agents be imposed. The General Assembly further finds that the obligations of lenders and their agents to consumers in connection with making, soliciting, processing, placing or negotiating of residential mortgage loans are such as to warrant the uniform regulation of the residential mortgage lending process, including the application, solicitation, making and servicing of residential mortgage loans. The purpose of this Act is to protect Illinois consumers seeking residential mortgage loans and to ensure that the residential mortgage lending industry is operating fairly, honestly and efficiently, free from deceptive and anti-competitive practices. The purpose of this Act is to regulate residential mortgage lending to benefit our citizens by ensuring availability of residential mortgage funding, to benefit responsible providers of residential mortgage loans and services, and to avoid requirements inconsistent with legitimate and responsible business practices in the residential mortgage lending industry.

(c) The General Assembly finds that the provisions of this amendatory Act of the 96th General Assembly that set forth the authority and framework for State participation in a Nationwide Mortgage Licensing System and Registry are consistent with the purposes of this Section and for the purpose of complying with the federal Secure and Fair Enforcement for Mortgage Licensing Act of 2008.

The bond shall be in the form and amount approved by the Commissioner who may at any time require one or more additional bonds. A true copy of every bond, including all riders and endorsements executed subsequent to the effective date of the bond, shall be filed at all times with the Commissioner. Each bond shall provide that a cancellation thereof shall not become effective unless and until 30 days notice in writing first shall have been given to the Commissioner unless he or she shall have approved the cancellation earlier. If the Commissioner believes the licensee's business is being conducted in an unsafe manner due to the lack of bonds or the inadequacy of bonds, he or she may proceed against the licensee as provided for in Section 4-5.

(c) All licensees shall maintain a bond in accordance with this subsection. Each bond shall be for the recovery of expenses, fines, or fees due to or levied by the Commissioner in accordance with this Act. The bond shall be payable when the licensee fails to comply with any provisions of this Act and shall be in the form of a surety or licensure bond in the amount and form as prescribed by the Commissioner pursuant to rules and regulations. The bond shall be payable to the Office of Banks and Real Estate and shall be issued by some insurance company authorized to do business in this State. A copy of the bond, including any and all riders and endorsements executed subsequent to the effective date of the bond, shall be placed on file with the Office of Banks and Real Estate within 10 days of the execution thereof.

(d) The Commissioner may promulgate rules with respect to bonding requirements for residential mortgage licensees and their mortgage loan originators that are reasonable and necessary to accomplish the purposes of this Act.

Sec. 3-2. Annual audit.

(a) At the licensee's fiscal year-end, but in no case more than 12 months after the last audit conducted pursuant to this Section, except as otherwise provided in this Section, it shall be mandatory for each residential mortgage licensee to cause its books and accounts to be audited by a certified public accountant not connected with such licensee. The books and records of all licensees under this Act shall be maintained on an accrual basis. The audit must be sufficiently comprehensive in scope to permit the expression of an opinion on the financial statements, which must be prepared in accordance with generally accepted accounting principles, and must be performed in accordance with generally accepted auditing standards. Notwithstanding the requirements of this subsection, a licensee that is a first tier subsidiary may submit audited consolidated financial statements of its parent as long as the consolidated statements are supported by consolidating statements. The licensee's chief financial officer shall attest to the licensee's financial statements disclosed in the consolidating statements.

(b) As used herein, the term "expression of opinion" includes either (1) an unqualified opinion, (2) a qualified opinion, (3) a disclaimer of opinion, or (4) an adverse opinion.

(c) If a qualified or adverse opinion is expressed or if an opinion is disclaimed, the reasons therefore

must be fully explained. An opinion, qualified as to a scope limitation, shall not be acceptable.

(d) The most recent audit report shall be filed with the Commissioner within 90 days after the end of the licensee's fiscal year, or with the Nationwide Mortgage Licensing System and Registry, if applicable, pursuant to Mortgage Call Report requirements. The report filed with the Commissioner shall be certified by the certified public accountant conducting the audit. The Commissioner may promulgate rules regarding late audit reports.

(e) If any licensee required to make an audit shall fail to cause an audit to be made, the Commissioner shall cause the same to be made by a certified public accountant at the licensee's expense. The Commissioner shall select such certified public accountant by advertising for bids or by such other fair and impartial means as he or she establishes by regulation.

(f) In lieu of the audit or compilation financial statement required by this Section, a licensee shall submit and the Commissioner may accept any audit made in conformance with the audit requirements of the U.S. Department of Housing and Urban Development.

(g) With respect to licensees who solely broker residential mortgage loans as defined in subsection (o) of Section 1-4, instead of the audit required by this Section, the Commissioner may accept compilation financial statements prepared at least every 12 months, and the compilation financial statement must be prepared by an independent certified public accountant licensed under the Illinois Public Accounting Act or by an equivalent state licensing law with full disclosure in accordance with generally accepted accounting principals and must be submitted within 90 days after the end of the licensee's fiscal year, or with the Nationwide Mortgage Licensing System and Registry, if applicable, pursuant to Mortgage Call Report requirements. If a licensee under this Section fails to file a compilation as required, the Commissioner shall cause an audit of the licensee's books and accounts to be made by a certified public accountant at the licensee's expense. The Commissioner shall select the certified public accountant by advertising for bids or by such other fair and impartial means as he or she establishes by rule. A licensee who files false or misleading compilation financial statements is guilty of a business offense and shall be fined not less than \$5,000.

(h) The workpapers of the certified public accountants employed by each licensee for purposes of this Section are to be made available to the Commissioner or the Commissioner's designee upon request and may be reproduced by the Commissioner or the Commissioner's designee to enable the Commissioner to carry out the purposes of this Act.

(i) Notwithstanding any other provision of this Section, if a licensee relying on subsection (g) of this Section causes its books to be audited at any other time or causes its financial statements to be reviewed, a complete copy of the audited or reviewed financial statements shall be delivered to the Commissioner at the time of the annual license renewal payment following receipt by the licensee of the audited or reviewed financial statements. All workpapers shall be made available to the Commissioner upon request. The financial statements and workpapers may be reproduced by the Commissioner or the Commissioner's designee to carry out the purposes of this Act.

The Director may require a licensee operating from a home or residentially zoned office to provide another approved location that is suitable to conduct an examination under Sections 4-2 and 4-7 of the Act. This subsection (a) does not limit the Director's authority to examine at any other office, facility or location of the licensee as permitted by the Act.

(205 ILCS 635/4-2) (from Ch. 17, par. 2324-2)

Sec. 4-2. Examination; prohibited activities.

(a) The business affairs of a licensee under this Act shall be examined for compliance with this Act as often as the Commissioner deems necessary and proper. The Commissioner shall promulgate rules with respect to the frequency and manner of examination. The Commissioner shall appoint a suitable person to perform such examination. The Commissioner and his appointees may examine the entire books, records, documents, and operations of each licensee and its subsidiary, affiliate, or agent, and may examine any of the licensee's or its subsidiary's, affiliate's, or agent's officers, directors, employees and agents under oath. For purposes of this Section, "agent" includes service providers such as accountants, closing services providers, providers of outsourced services such as call centers, marketing consultants, and loan processors, even if exempt from licensure under this Act. This Section does not apply to an attorney's privileged work product or communications.

(b) The Commissioner shall prepare a sufficiently detailed report of each licensee's examination, shall issue a copy of such report to each licensee's principals, officers, or directors and shall take appropriate steps to ensure correction of violations of this Act.

(c) Affiliates of a licensee shall be subject to examination by the Commissioner on the same terms as the licensee, but only when reports from, or examination of a licensee provides for documented evidence of unlawful activity between a licensee and affiliate benefiting, affecting or deriving from the activities regulated by this Act.

(d) The expenses of any examination of the licensee and affiliates shall be borne by the licensee and assessed by the Commissioner as established by regulation.

(e) Upon completion of the examination, the Commissioner shall issue a report to the licensee. All confidential supervisory information, including the examination report and the work papers of the report, shall belong to the Commissioner's office and may not be disclosed to anyone other than the licensee, law enforcement officials or other regulatory agencies that have an appropriate regulatory interest as determined by the Commissioner, or to a party presenting a lawful subpoena to the Office of the Commissioner. The Commissioner may immediately appeal to the court of jurisdiction the disclosure of such confidential supervisory information and seek a stay of the subpoena pending the outcome of the appeal. Reports required of licensees by the Commissioner under this Act and results of examinations performed by the Commissioner under this Act shall be the property of only the Commissioner, but may be shared with the licensee. Access under this Act to the books and records of each licensee shall be limited to the Commissioner and his agents as provided in this Act and to the licensee and its authorized agents and designees. No other person shall have access to the books and records of a licensee under this Act. Any person upon whom a demand for production of confidential supervisory information is made, whether by subpoena, order, or other judicial or administrative process, must withhold production of the confidential supervisory information and must notify the Commissioner of the demand, at which time the Commissioner is authorized to intervene for the purpose of enforcing the limitations of this Section or seeking the withdrawal or termination of the attempt to compel production of the confidential supervisory information. The Commissioner may impose any conditions and limitations on the disclosure of confidential supervisory information that are necessary to protect the confidentiality of such information. Except as authorized by the Commissioner, no person obtaining access to confidential supervisory information may make a copy of the confidential supervisory information. The Commissioner may condition a decision to disclose confidential supervisory information on entry of a protective order by the court or administrative tribunal presiding in the particular case or on a written agreement of confidentiality. In a case in which a protective order or agreement has already been entered between parties other than the Commissioner, the

Commissioner may nevertheless condition approval for release of confidential supervisory information upon the inclusion of additional or amended provisions in the protective order. The Commissioner may authorize a party who obtained the records for use in one case to provide them to another party in another case, subject to any conditions that the Commissioner may impose on either or both parties. The requestor shall promptly notify other parties to a case of the release of confidential supervisory information obtained and, upon entry of a protective order, shall provide copies of confidential supervisory information to the other parties.

(f) The Commissioner, deputy commissioners, and employees of the Office of Banks and Real Estate shall be subject to the restrictions provided in Section 2.5 of the Office of Banks and Real Estate Act including, without limitation, the restrictions on (i) owning shares of stock or holding any other equity interest in an entity regulated under this Act or in any corporation or company that owns or controls an entity regulated under this Act; (ii) being an officer, director, employee, or agent of an entity regulated under this Act; and (iii) obtaining a loan or accepting a gratuity from an entity regulated under this Act.

(g) After the initial examination for those licensees whose only mortgage activity is servicing fewer than 1,000 Illinois residential loans, the examination required in subsection (a) may be waived upon submission of a letter from the licensee's independent certified auditor that the licensee serviced fewer than 1,000 Illinois residential loans during the year in which the audit was performed.

Sec. 4-5. Suspension, revocation of licenses; fines.

(a) Upon written notice to a licensee, the Commissioner may suspend or revoke any license issued pursuant to this Act if he or she shall make a finding of one or more of the following in the notice that:

(3) If a licensee is other than an individual, any ultimate equitable owner, officer, director, or member of the licensed partnership, association, corporation, or other entity has so acted or failed to act as would be cause for suspending or revoking a license to that party as an individual.

(b) No license shall be suspended or revoked, except as provided in this Section, nor shall any licensee be fined without notice of his or her right to a hearing as provided in Section 4-12 of this Act.

(c) The Commissioner, on good cause shown that an emergency exists, may suspend any license for a period not exceeding 180 days, pending investigation. (f) Every license issued under this Act shall remain in force and effect until the same shall have expired without renewal, have been surrendered, revoked or suspended in accordance with the provisions of this Act, but the Commissioner shall have authority to reinstate a suspended license or to issue a new license to a licensee whose license shall have been revoked if no fact or condition then exists which would have warranted the Commissioner in refusing originally to issue such license under this Act.

(g) Whenever the Commissioner shall revoke or suspend a license issued pursuant to this Act or fine a licensee under this Act, he or she shall forthwith execute in duplicate a written order to that effect. The Commissioner shall publish notice of such order in the Illinois Register and post notice of the order on an agency Internet site maintained by the Commissioner and shall forthwith serve a copy of such order upon the licensee. Any such order may be reviewed in the manner provided by Section 4-12 of this Act.

(h) When the Commissioner finds any person in violation of the grounds set forth in subsection (i), he or she may enter an order imposing one or more of the following penalties:

(1) Revocation of license;

(2) Suspension of a license subject to reinstatement upon satisfying all reasonable conditions the Commissioner may specify;

- (4) Issuance of a reprimand;
- (5) Imposition of a fine not to exceed \$25,000 for each count of separate offense; and
- (6) Denial of a license.
- (i) The following acts shall constitute grounds for which the disciplinary actions specified in subsection (h) above may be taken:
 - (1) Being convicted or found guilty, regardless of pendency of an appeal, of a crime in any jurisdiction which involves fraud, dishonest dealing, or any other act of moral turpitude;
 - (2) Fraud, misrepresentation, deceit or negligence in any mortgage financing transaction;
 - (3) A material or intentional misstatement of fact on an initial or renewal application;
 - (4) Failure to follow the Commissioner's regulations with respect to placement of funds in escrow accounts;
 - (5) Insolvency or filing under any provision of the Bankruptcy Code as a debtor;
 - (6) Failure to account or deliver to any person any property such as any money, fund, deposit, check, draft, mortgage, or other document or thing of value, which has come into his or her hands and which is not his or her property or which he or she is not in law or equity entitled to retain, under the circumstances and at the time which has been agreed upon or is required by law or, in the absence of a fixed time, upon demand of the person entitled to such accounting and delivery;
 - (7) Failure to disburse funds in accordance with agreements;
 - (8) Any misuse, misapplication, or misappropriation of trust funds or escrow funds;
 - (9) Having a license, or the equivalent, to practice any profession or occupation revoked, suspended, or otherwise acted against, including the denial of licensure by a licensing authority of this State or another state, territory or country for fraud, dishonest dealing or any other act of moral turpitude;
 - (10) Failure to issue a satisfaction of mortgage when the residential mortgage has been executed and proceeds were not disbursed to the benefit of the mortgagor and when the mortgagor has fully paid licensee's costs and commission;
 - (11) Failure to comply with any order of the Commissioner or rule made or issued under the provisions of this Act;
 - (12) Engaging in activities regulated by this Act without a current, active license unless specifically exempted by this Act;
 - (13) Failure to pay in a timely manner any fee, charge or fine under this Act;
 - (14) Failure to maintain, preserve, and keep available for examination, all books, accounts or other documents required by the provisions of this Act and the rules of the Commissioner;
 - (15) Refusing, obstructing, evading, or unreasonably delaying an investigation, information request, or examination authorized under this Act, or refusing obstructing, evading, or unreasonably delaying compliance with the Director's Refusal to permit an investigation or examination of the licensee's or its affiliates' books and records or refusal to comply with the Commissioner's subpoena or subpoena duces tecum;
 - (16) A pattern of substantially underestimating the maximum closing costs;
 - (17) Failure to comply with or violation of any provision of this Act.
- (j) A licensee shall be subject to the disciplinary actions specified in this Act for violations of subsection (i) by any officer, director, shareholder, joint venture, partner, ultimate equitable owner, or employee of the licensee.
- (k) Such licensee shall be subject to suspension or revocation for unauthorized employee actions only if there is a pattern of repeated violations by employees or the licensee has knowledge of the violations, or there is substantial harm to a consumer.
- (l) Procedure for surrender of license:
 - (1) The Commissioner may, after 10 days notice by certified mail to the licensee at the address set forth on the license, stating the contemplated action and in general the grounds therefor and the date, time and place of a hearing thereon, and after providing the licensee with a reasonable opportunity to be heard prior to such action, fine such licensee an amount not exceeding \$25,000 per violation, or revoke or suspend any license issued hereunder if he or she finds that:
 - (i) The licensee has failed to comply with any provision of this Act or any order, decision, finding, rule, regulation or direction of the Commissioner lawfully made pursuant to the

authority of this Act; or

(ii) Any fact or condition exists which, if it had existed at the time of the original application for the license, clearly would have warranted the Commissioner in refusing to issue the license.

(2) Any licensee may submit application to surrender a license by delivering to the Commissioner written notice that he or she thereby surrenders such license, but upon the Director approving the surrender, it shall not affect the

licensee's civil or criminal liability for acts committed prior to surrender or entitle the licensee to a return of any part of the license fee.

(b) For the purposes of investigating violations or complaints arising under this Act, or for the purposes of examination, the Commissioner may review, investigate, or examine any licensee, individual, or person subject to this Act, as often as necessary in order to carry out the purposes of this Act. The Commissioner may direct, subpoena, or order the attendance of and examine under oath all persons whose testimony may be required about the loans or the business or subject matter of any such examination or investigation, and may direct, subpoena, or order the person to produce books, accounts, records, files, and any other documents the Commissioner deems relevant to the inquiry.

(d) In order to promote more effective regulation and reduce regulatory burden through supervisory information sharing, other law relating to the disclosure of confidential supervisory information or any information or material described in subsection (a) of this Section that is inconsistent with subsection (a) of this Section shall be superseded by the requirements of this Section to the extent the other law provides less confidentiality or a weaker privilege.
